<https://gloria.tv/post/N2AzSbZhckDG2iPcnHTtjnpPM> - Un libro para entender el avance del lobby LGTB en educación - **IMPORTANTE ACLARACIÓN: Cuando publiqué este post no había efectuado una lectura lineal del libro, sino solo en diagonal. Por eso ahora deseo precisar que no comparto la postura de los autores en lo referente a la homosexualidad y a la transexualidad -página 8-, ni a la ESI (Educación Sexual Obligatoria) -página 15-. Me he decidido, no obstante, a mantener el post, dado que el libro es un estudio serio y argumentado que ayuda a comprender la penetración de la ideología de género en el medio educativo.**

<https://www.centerforhealthsecurity.org/event201/> - Los que están detrás de la “pandemia”:

“The Johns Hopkins Center for Health Security in partnership with the World Economic Forum and the Bill and Melinda Gates Foundation hosted Event 201, a high-level pandemic exercise on October 18, 2019, in New York, NY. The exercise illustrated areas where public/private partnerships will be necessary during the response to a severe pandemic in order to diminish large-scale economic and societal consequences.”

<https://www.bloomberg.com/news/audio/2020-03-04/event-201-preparing-for-a-pandemic-audio> - Pero todo esto no es más que una simple “coincidencia”, naturalmente:

“As the coronavirus outbreak approaches a pandemic, global leaders and health officials are scrambling to contain the fallout. That has sparked quarantines and other emergency action around the world. It’s a scenario that was planned for, in one case just months ago, at a gathering of leaders in global finance, policy and healthcare. Bloomberg’s Janet Wu was there and brings us this report.”

<https://www.weforum.org/agenda/2020/06/now-is-the-time-for-a-great-reset/> - La “pandemia”, ocasión soñada para establecer el NWO a través del pánico:

“COVID-19 lockdowns may be gradually easing, but anxiety about the world’s social and economic prospects is only intensifying. There is good reason to worry: a sharp economic downturn has already begun, and we could be facing the worst depression since the 1930s. But, while this outcome is likely, it is not unavoidable. To achieve a better outcome, the world must act jointly and swiftly to revamp all aspects of our societies and economies, from education to social contracts and working conditions. Every country, from the United States to China, must participate, and every industry, from oil and gas to tech, must be transformed. In short, we need a “Great Reset” of capitalism.”

<https://www.santepubliquefrance.fr/etudes-et-enquetes/covapred-comment-se-protege-la-population-et-quelle-est-l-intention-de-vaccination-contre-le-covid-19-quand-le-vaccin-sera-disponible> - Construyendo el relato del miedo: no habrá retorno a la vida normal sin “vacunación masiva”:

“Si les Français ont globalement accepté le confinement dû à l’épidémie de COVID-19 et continuent d’appliquer les gestes barrières, seule la vaccination de masse peut permettre d’endiguer cette épidémie et de retrouver une vie normale. Or, la vaccination est un choix individuel. C’est pourquoi il est primordial pour les autorités sanitaires d’anticiper les intentions des Français en matière de vaccination contre la COVID-19. Dans cette optique, Santé publique et ses partenaires lancent une enquête en population générale visant comprendre l’adoption des mesures de protection et mesurer l’acceptabilité de la population à la vaccination COVID-19.”

Censura totalitaria en las “redes sociales” al servicio del “relato oficial” de la OMS: New from Remnant TV - “Dear Friends: Well, no surprise here, but YouTube has begun removing some RTV videos. Why? Here’s what they told me this morning: It’s because YouTube doesn’t allow content that explicitly disputes the efficacy of the World Health Organization (WHO) or local health authorities’ recommended guidance on social distancing and self isolation that may lead people to act against that guidance.” The handwriting’s on the wall, obviously, which is why we’re working hard this week on updating and launching our own independent RTV video platform.” - <https://www.youtube.com/channel/UCaYPEP4en3RHlvC5r34YR2g>
